## Term 2 Has Arrived!

We've had a marvellous and busy start to the year of 2012, which seems to be flying by. Here are some points to contemplate during the term;

- Whilst studying singing, it is always a great idea to give back to your surrounding community by sharing your talents. There is nothing to lose in doing so, and you may just make a stranger's day!
- Remember, "you don't sing with your larynx, you sing with your heart and your head." Always gather perspective as to why exactly you are performing the song you have chosen.

Keep Singing!

### TERM 1 TEACHING

- Term 2 will begin on Tuesday April 24<sup>th</sup>
- The term will finish on Thursday July 5<sup>th</sup>
- Check your invoice to see when your teacher will be teaching.
- **Important:** As you will see from the invoice, I will be teaching for 8 weeks this term and then will be off to the UK for my annual visit which means you have only been charged for these 8 weeks. If you require extra assistance from Ben, you need to let me know and you will be invoiced for this accordingly. Any students who feel that they need extra help from me before I go away, must let me know and I will sort something out.

- It is always fantastic when ex-students return to Perth for a visit, and on this occasion we have our very own Vincent Hooper available for a question and answer gathering on the 29<sup>th</sup> of April from 7pm at the studio. Vincent graduated from WAAPA with a bachelor of music theatre and has since received work including touring as part of the Rocky Horror Picture Show, and has also just recently, finished a cruise. We are truly lucky to have such a talented source of insight, so let us know if you intend on coming along.
- Our production of "Olivia" is progressing very well and we are sure that it will be a great addition to the collection of shows the school has produced. The show hosts a high level of talent featuring experienced and high quality principles who have gladly given up their time to make sure the show thrives. As a result, it would be thoroughly appreciated if you support not only the students in this endeavour, but also the external, professional performers by coming along!
- Please do not forget to check out the website for updates on activities and contact numbers – [www.christinefillis.id.au](http://www.christinefillis.id.au)
